

Actividad 1 Instalación de Gliffy como extensión de Chrome

The screenshot displays a Chrome browser window with multiple tabs. The active tab shows the Chrome Web Store page for the 'Diagramas Gliffy' extension. The page features the extension's icon, a 5-star rating, 22,277 reviews, and over 400,000 users. A video player is visible, but it displays a message: 'Este video es privado' (This video is private). A sidebar on the right lists other profiles associated with the extension, including 'cbtis75.edu.mx' and 'Persona 1' through 'Persona 2'.

Overlaid on the right side of the browser window is the Gliffy application interface. The interface has a blue header with the 'gliffy' logo and menu options: 'File', 'Edit', and 'Help'. Below the header is a toolbar with various drawing tools. The main workspace is a grid with a text box containing the word 'Hola'. A sidebar on the left of the workspace lists 'Basic Shapes' (including triangle, circle, square, pentagon, hexagon, octagon, star, and plus) and 'Flowchart' (including Swimlanes, BPMN, UML 1.0, Entity-Relationship, Network, Venn Diagram, User Interface, Sitemap, and Images).

The Windows taskbar at the bottom shows the system clock as 07:13 p.m. on 27/09/2022, along with icons for various applications like Edge, File Explorer, and Word.
